**SPECIAL NOTICES.**

IMPORTANT FACTS TIRELY TOLD.

In the "Home Comfort" we have the best

gas stove in the world. It is larger and wider than the usual 22.75

Gas stove, but with the usual front.

It is more efficient and costs less than any ordinary 22.75 stove.

The "Home Comfort" throws out

tremendous amount of heat for its size.

If you like the way it pays for gas

you will most assuredly buy the

"Home Comfort."

Hundreds evidently read our talk on the

gas stove. Hundreds see many people

use the "Home Comfort" and they do not

buy ours. Our motto is:

"The Home Comfort is the best

gas stove in the world."

We will give a new one for every

customer the use of defective

hardware.

It will require about a fourth as much

heat to keep your house warm

as to keep a hundred foot

foot house warm.

Send for our catalogues and let us

estimate the cost of the "Home

Comfort."
